

Tablet Charge Trolley Case BM-R14LG

Product Features

USB interface

Integrated power supply

Splashwater protected

Lightning protection

Overload protection

Electric Leakage protection

Air circulation

Moveable cart

Charging instructions

Major Parameter

	Item	Parameter			
			8	Gross weight	11.2 KG
1	Product name	Tablet Charge Trolley Case	9	Input voltage	220V / 50 HZ
2	Certification	CE	10	Output voltage	5V
3	Model	QP-R10TB	11	Rated power	200 W
4	Charging interface	14 bit	12	Operating Temperature	-20~70°C
5	Product size	58*27*47 CM	13	Operating Humidity	20~90%RH , No condensation
6	Packing size	59*28*48 CM			
7	Net weight	10.1 KG
